

Audio/Visual Requests

Mike travels with his own computers and a projector. If you will have more than 50 attendees, please provide a high-brightness projector.

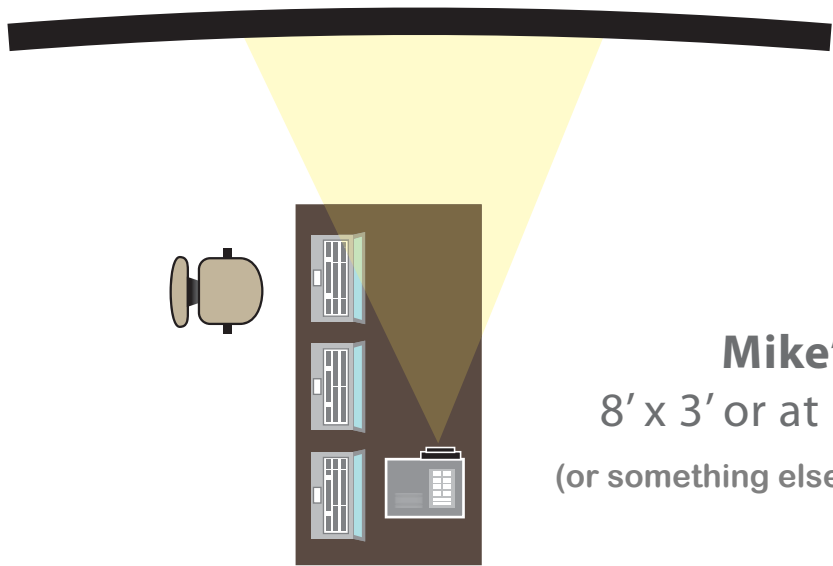

In order to provide the most value for your attendees, for 50 or fewer attendees, please provide:

- Screen at least 5 x 5 feet
- Heavy duty extension cord
- Room at the end of the conference table or an extra 8 x 3 table (6 by 2.5 at least) – even if you push smaller tables together

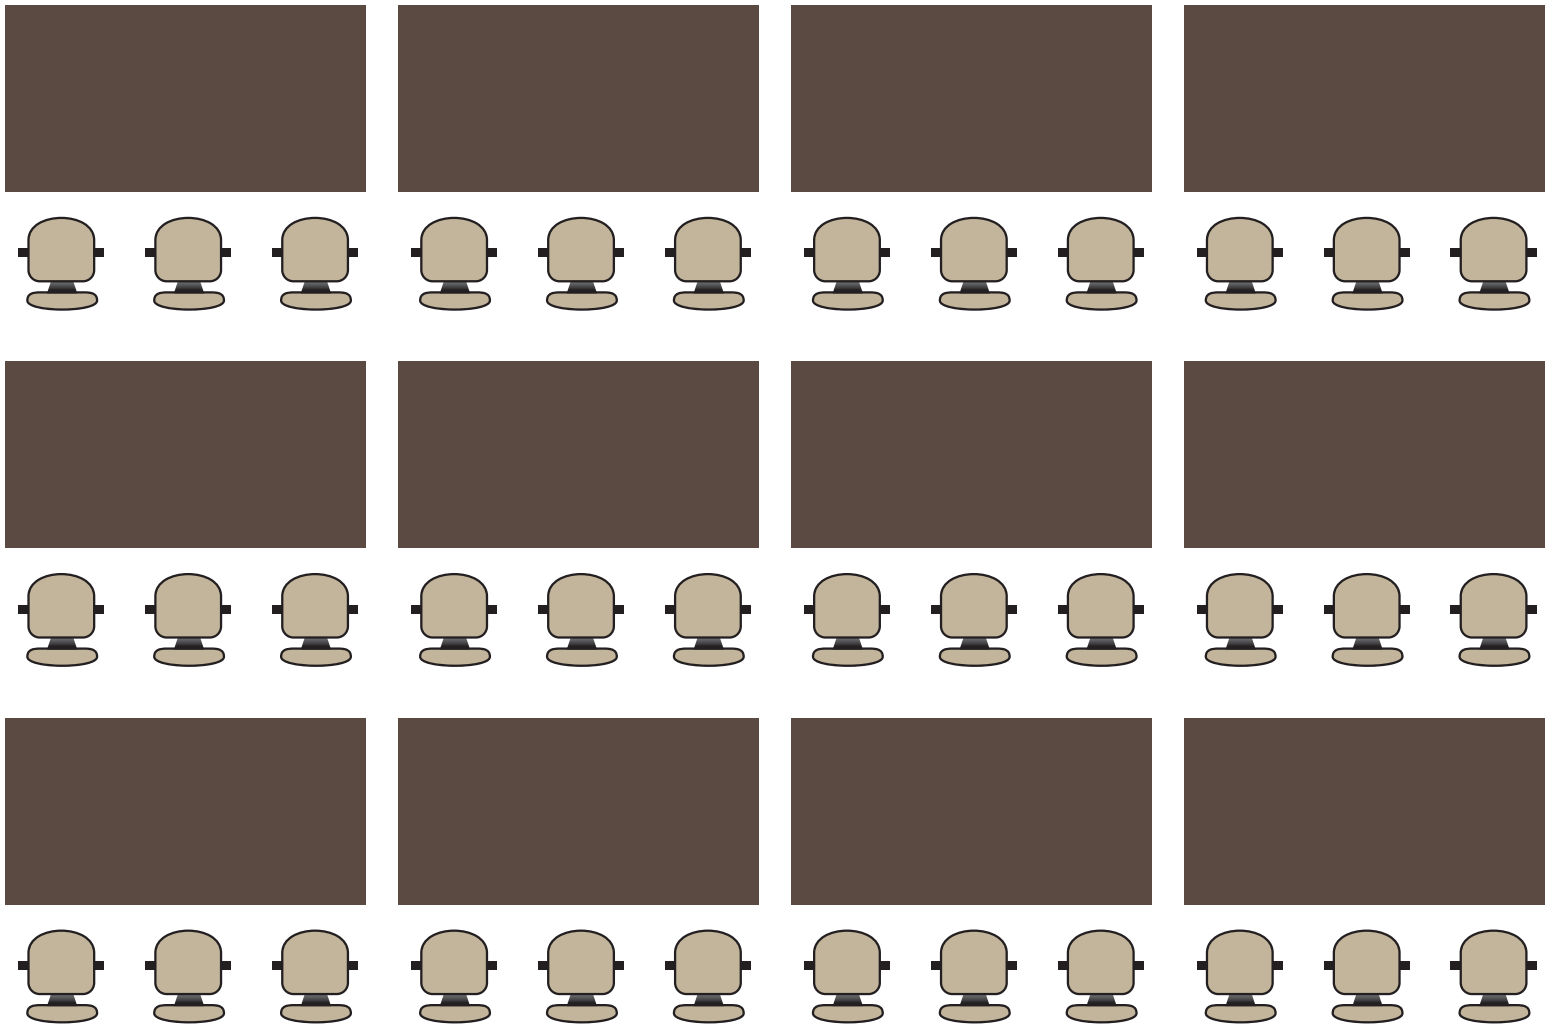

If you expect more than 50 attendees, please call to discuss the best layout for your event

<p>A heavy gauge extension cord (the kind you would use in your yard with power tools)</p>		<p>Mike brings his projector Big screen TV is too small.</p>
		

Classroom Layout

Mike's Table
8' x 3' or at least 6' x 2.5'
(or something else can be worked out)

3 people per 6 ft table
